Gentlemen:

Attached is our check for [REDACTED] which is payment in full of Invoice [REDACTED].

We are very pleased with the umbrellas and truly appreciate your working with us so that all the umbrellas would not be gone at the same time. We also appreciate the quick turn around to accomplish the project.

They were installed in time for the pool gathering and we received many compliments.

We look forward to a continued business relationship with your firm.

Sincerely,

Nina McCarthy
