thank you! a check will be in the mail today.

i wanted to tell you that mike and carlos did an amazing job of installing the awnings, and they went out of their way to not damage plants that were really in their way during the installation. great service, and i'll be recommending you to many friends. as well as giving you a good review on yelp. you've got a great team, from timm in sales to the guys in the installation crew. i'll be calling back soon to add another awning in the back patio!

sincerely,
